Military Honorary NYSSA Membership

IMPORTANT ANNOUNCEMENT

A new dues free NYSSA membership type was approved at the December 2009 NYSSA Board of Directors meeting. The associated bylaw change was approved by Delegates at the 2010 Annual Meeting.

Military Honorary - To recognize their sacrifice and service to our county, club members who are currently engaged in active military duty and those service members who have been awarded the Purple Heart will have free (\$0) NYSSA membership instead of the regular \$5 dues.

It is left to the discretion of each club to determine members who qualify. It is also left to the club to refund to the member, any NYSSA dues paid by a member who qualifies. If you edit a current membership in the on-line membership system, changing NYSSA Membership type from Primary (Regular \$5 dues) to **Military Honorary**, a \$5 credit will be automatically issued to you account.

This is the same as the free NYSSA membership currently extended to landowners.

We encourage you to also offer free club membership to those designated **Military Honorary**.

We will soon add a **Military Honorary** to the NYSSA Membership Type pull-down list on the on-line form where you now enter members or edit member data.

How to enter Military Honorary NYSSA Memberships

We would like to provide this offer immediately so we ask you to enter the **Military Honorary** type in the following way until we provide final method for entering these members.

1. Choose NYSSA membership type as : Landowner.
2. Please place the code **MIL** in the upper left corner of Notes: section of the member entry / edit form. The Notes section is located at the bottom of this form under Miscellaneous.

A screen shot of the member entry / edit form follows on the next page.

Thank you for joining NYSSA in this recognition of our active service members and Purple Heart recipients.

How to Reserve a NYSSA Safety Trailer for your Club Event

The NYSSA Safety Trailers are available for display at NY State Snowmobile Club events. There are towing requirements and you must reserve the trailers well in advance.

The large trailer will (eventually) contain the three Super Raffle sleds; the smaller one (pictured) contains materials appropriate for indoor and outdoor displays. Both trailers come with handout materials such as Corridor Maps, Trail Watch Brochures, etc.

Email nyssaoffice@nysnowmobiler.com or call the NYSSA Office at 888-624-3849 x103 to reserve. Include the date and location of the event, and the name and contact info of the person who will be responsible for picking it up and getting it to the next location.

How to Order ISMA Safety Materials for your Club Events

The snowmobile manufacturers, in cooperation with the snowmobiling community, are again pleased to support the Safe Riders! You make snowmobiling safe™ Safety Campaign. Clubs may obtain, free of charge, Safe Riders! materials that include the Snowmobiling Fact book, brochures, posters, and safety DVD. Some materials for download, and an order form, are available at the ISMA website,

Coming Events

The 2010 Big East Powersports Show is October 1-3, 2010 at the OnCenter in Syracuse, New York. A NYSSA BOD meeting will be held on Saturday, October 2 in the lower level meeting rooms. All members welcome.

International Snowmobile Safety Week is January 16-22, 2011. Many local clubs and snowmobile associations take this time to teach snowmobilers about safe riding and many dealerships help by putting on seminars teaching customers how to maintain their sleds and keep them running in top condition. Visit www.snowmobile.org and download a Safety Week Campaign Action Manual with ideas on how to promote safety week and ideas for putting on safety week events. Check it out!

The 3rd annual TAKE A FRIEND SNOWMOBILING WEEK is scheduled for **February 12-21, 2011.** Consider partnering with local clubs and other local businesses to encourage non-snowmobiling friends or those who haven't been snowmobiling for a while to join us for a time of fun. Many have tried snowmobiling for the first time with the experience resulting in the purchase of a snowmobile and joining a club and association – all because somebody asked them to come along. For more information and ideas on hosting a TAKE A FRIEND SNOWMOBILING event, visit www.gosnowmobiling.org.

NYSSA Stickers for your Members

NYSSA Stickers are available to Directors at each Board meeting. Please ask your Director to pick you up an adequate supply so these can be mailed with vouchers or distributed at Club meetings and events.

Letters of Understanding

Thank you for turning in your Club's Letter of Understanding. I have been asked by several clubs why this must be done annually. Not only does the LOU reaffirm that the Club will abide by NYSSA's Bylaws, charge adequate dues, etc., but it is the best way for the Club to transmit its most up-to-date contact information for its Officers.

If your elections occur after the LOU is turned in, please ask your Club Membership Administrator to update your club contacts. To do that:

Login with the id CA<yourclubnumber> & password

Scroll down and click on "Club Information" at the lower left.
